ſ Ms Typ. 43

Astrological compendium with:

Michael Scot, *Liber de signis et imaginibus*

* Alfonsine Tables

Hyginus, *De astronomia*

Vienna

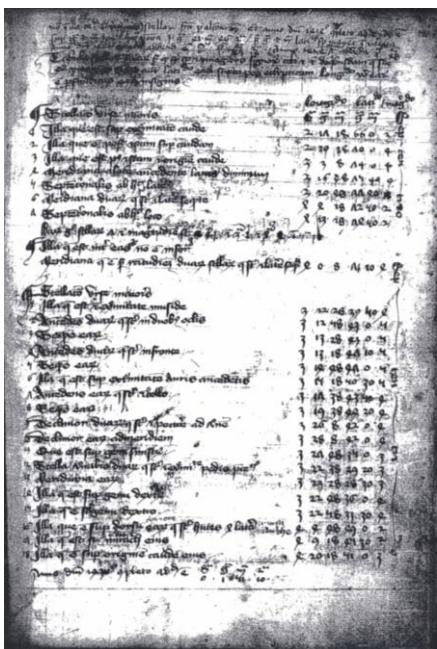

1425

ff. 141r-152v

Alfonsine Tables corrected for 1414, 1420 (1424 and 1430)

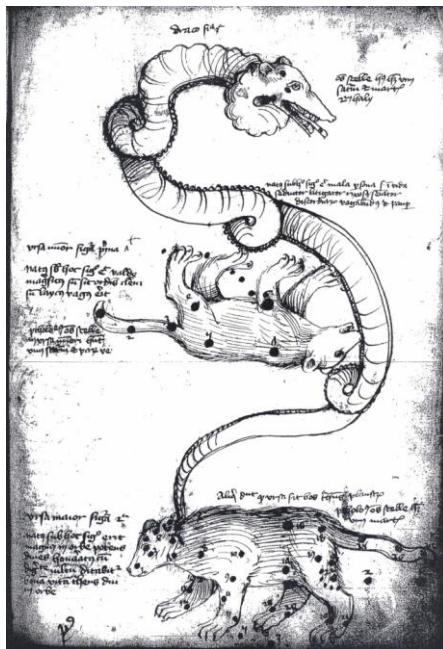

ff.153r-158v

Illustrations

This image shows a page from a medieval manuscript containing astronomical tables. The text is written in two columns in a Gothic script. The left column contains several tables with numerical data, likely planetary positions or ephemerides. The right column contains more descriptive text and possibly annotations. The tables are organized into rows and columns, with some numbers underlined or highlighted.
